

TPC 1016/1516/1716

Fanless Panel-PC 10"/15"/17" with waterproof front and 1,6 GHz

Spezifikationen

- 1,6 GHz Intel® ATOM™ processor
- Fanless, silent and maintenance-free use
- Restive touchscreen
- Low energy consumption
- VESA-compatible
- IP65 waterproof front, lip seal for waterproof installation
- Options: DVD-RW (only 15"/17"), WLAN

The TPC 1016/1516/1716 Panel PCs feature the integration of bright 10", 15" and 17" LCD displays, together with an efficient and powerful Intel ATOM processor with low power consumption. The fanless design and waterproof IP65 front is ideal for a wide range of industrial applications. Storage

includes a 2,5" SATA hard drive or a solid-state drive (SSD) and supports Windows XP Professional or XPembedded. The TPC series provide a compact, high performance human-machine interface, with optimal shock, vibration and temperature resistance for tough industrial demands.

Applications:

The Touchscreen-PC is ideal for the following applications:

- Kiosk
- Retail, POS
- Entertainment, Gaming
- Manufacturing
- Digital Signage
- Control and Monitoring
- Processvisualisation
